

## F4E4-A6355J-40-SXE Pack5

### Description

## Technical Data

### Strain gauge

|                      |                   |
|----------------------|-------------------|
| Type                 | Full-bridge       |
| Grid length          | 1.78 mm           |
| Resistance           | 400 Ohm           |
| Tolerance resistance | 15 %              |
| Connection           | Solder pad        |
| Type                 | Foil strain gauge |
| Substrate            | Polyimide         |
