

## C2A-06-XXLW-350 062LW

### Description

## Technical Data

### Strain gauge

|                          |                   |
|--------------------------|-------------------|
| Type                     | Single-grid       |
| Number of grids          | 1                 |
| Resistance               | 350 Ohm           |
| Connection               | Cabel             |
| Type                     | Foil strain gauge |
| Temperature adjustment   | Stahl             |
| Substrate                | Polyimide         |
| Temperature compensation | Stahl-06          |
